

Rattle them winches

PETE We're making money with this sound

Rattle them winches oh!

Soon we'll all be homeward bound

Rattle them winches oh!

Rattle them winches an stamp & go

Rattle them winches oh!

Rattling down an stamp & go

Rattle them winches oh!

JACQUIE Into the hold this gear must go

Mr Mate has told us so

PETE Dave he is a shanty man

Always on the old rantan

JACQUIE When he was young & in his prime

he'd take them pretty girls two at a time

PETE Now he's old and going grey

Them yella girls all run away

JACQUIE He's got a girl in Calleo

He's gonna take her roll and go

PETE One more rattle and then belay

We've rattled this gear enough today

REPEAT Together
