

## Haul 'Er Away!

Little Dolly Dawson  
*Haul 'Er Away!*  
She's got red flannel drawers on  
*Haul 'Er Away!*  
So says the ol' bosun  
*Haul 'Er Away!*  
With a hauley high-O!  
*Haul 'Er Away!*

Little Susie Skinner  
She says she's a beginner  
But she prefers it to her dinner  
With a hauley high-O!

Little Rosie Riddle  
She broke her brand new fiddle  
Put a hole right in the middle  
With a hauley high-O!

Little Betty Baker  
She ran off with a Quaker  
Guess her mum could shake her  
With a hauley high-O!

Little Polly Duckett  
Washes in a bucket  
She's a tart, but doesn't look it  
With a hauley high-O!

Little Fan Fanana  
She slipped on a banana  
Now she can't play the pianner  
With a hauley high-O!

Little Sally Racket  
She shipped aboard a packet  
An' she never did regret it  
With a hauley high-O!

Little Polly Walker  
She ran off with a hawker  
Oh boy he was a corker!  
With a hauley high-O!

Up my fightin' cocks boys  
Up and split her blocksboys  
And we'll stretch 'er luff boys  
And that'll be enough, boys!
