

# DRUNKEN SAILOR

What shall we do with a drunken sailor (3x)  
Earl-eye in the morning!

*chorus:*

*Way hay and up she rises*

*Way hay and up she rises (patent blocks o' diff'rent sizes)*

*Way hay and up she rises*

*Earl-eye in the morning*

Put him in a long-boat till he's sober

Keep him there and make 'im bale 'er.

Put him in bed with the captain's daughter.

Have you seen the captain's daughter?

Put him in the scuppers with a hose-pipe on him.

Give 'im a dose of salt and water.

Give 'im a taste of the bosun's rope-end.

Stick on 'is back a mustard plaster.

Soak 'im in oil till he sprouts a flipper.

Shave his belly with a rusty razor.

Put him in the guard room till he gets sober.
