

HANGING JOHNNY

Well they call me hanging Johnny

Away boys, away

They says I hangs for money

So hang boys, hang

And first I hanged me mother

Away boys, away

Me sister and me brother

So hang boys, hang

I hanged me sister Sally

Away boys, away

I hanged me whole dammed family

So hang boys, hang

I even hanged me granny

Away boys, away

I strung her up so canny

So hang boys, hang

I'd hang a ruddy copper

Away boys, away

I'd give him the big dropper

So hang boys, hang

I'd hang the mate and skipper

Away boys, away

I'd hang 'em by their flippers

So hang boys, hang

A rope, a beam, a ladder

Away boys, away

And I hang you all together

So hang boys, hang

And we'll hang and haul together

Away boys, away

We'll haul for better weather

So hang boys, hang

They call me hanging Johnny

Away boys, away

'Cuz, hanging is so funny

So hang boys, hang
