

HAUL 'ER AWAY

Little Daisy Dawson

Haul 'Er Away!

She's got flannel drawers on

Haul 'Er Away!

So says our ol' bosun

Haul 'Er Away!

With a hauley high-O!

Haul 'Er Away!

Little Sally Racket

Shipped in a packet

An' she never did regret it.

Little Betty Baker

Ran off with a Quaker

Guess her mum could shake 'er.

Little Susie Skinner

Says she's a beginner

But prefers it to 'er dinner.

Little Flo Fanana

Slipped on a banana

Now she can't play the pianner.

Little Rosie Riddle

Broke her brand new fiddle

Got a hole right in the middle.

Little Polly Walker

Ran off with a hawker

Oh, he was a corker.

Little Kitty Carson

Ran off with a parson

Now she has a little barson.

Little Winnie Duckett

Washes in a bucket

She's a whore but she don't look it.

Up me fightin' cocks, now

Up and split them blocks, now.

Up and stretch 'er luff boys

And that'll be enough, boys.
