Pull Down Below

Traditional

I went to church I went to chapel, pull down below,
I went to church I went to chapel, pull down below,
Away Eagle Alley pull down below,
Eagle Alley in the valley, pull down below.

On the road I found an apple, pull down below,
On the road I found an apple, pull down below,
Away Eagle Alley pull down below,
Eagle Alley in the valley, pull down below.

And who's been here since I've been gone, pull down below,
And who's been here since I've been gone, pull down below,
Away Eagle Alley pull down below,
Eagle Alley in the valley, pull down below.

It's a Yankee mate with his big boots on, pull down below,
It's a Yankee mate with his big boots on, pull down below,
Away Eagle Alley pull down below,
Eagle Alley in the valley, pull down below.

And who's been here since I've been gone, pull down below,
And who's been here since I've been gone, pull down below,
Away Eagle Alley pull down below,
Eagle Alley in the valley, pull down below.

It's a lime juice mate with his cheese cutter on, pull down below,
It's a lime juice mate with his cheese cutter on, pull down below,
Away Eagle Alley pull down below,
Eagle Alley in the valley, pull down below.

Yes I went to church I went to chapel, pull down below,
I went to church I went to chapel, pull down below,
Away Eagle Alley pull down below,
Eagle Alley in the valley, pull down below.

Away Eagle Alley pull down below,
Eagle Alley in the valley, pull down below.
