

Shallow Brown

For I'm bound away to leave you
Shallow oh shallow brown
Bound away to leave you
Shallow oh shallow brown

I am signed for a sailor
Shallow oh shallow brown
And I'm shipped aboard a whaler
Shallow oh shallow brown

I'm bound for South Georgia
Shallow oh shallow brown
Bound way for South Georgia
Shallow oh shallow brown

And the master's going to sell ya
Shallow oh shallow brown
And the master's going to sell ya
Shallow oh shallow brown

And he'll sell you to a Yankee
Shallow oh shallow brown
Big fat greasy Yankee
Shallow oh shallow brown

Sell you for a dollar
Shallow oh shallow brown
Siver Spanish dollar
Shallow oh shallow brown

So it's goodbye Juliana
Shallow oh shallow brown
Farewell Juliana
Shallow oh shallow brown

You know my packet sails tomorrow
Shallow oh shallow brown
And my heart is filled with sorrow
Shallow oh shallow brown

I'm bound away to leave you
Shallow oh shallow brown
I'm bound away to leave you
Shallow oh shallow brown
