

WILD GOOSE (RANZO)

Did you ever see a wild goose
Sail over the ocean?

Ranzo, Ranzo, Way-hey-ay!

They're just like them pretty girls
When they get the notion

Ranzo, Ranzo, Way-hey-ay!

While I was out walking
One morning by the river
I spied a pretty fair maid
With her topsails all a-quiver.

I said, "My pretty fair maid,
And how are you this morning?"
She said, "None the better
For the seeing of you, sir."

Did you ever see a wild goose
Sail over the ocean?
They're just like them pretty girls
When they get the notion
